TOURIST CAMP IN PARK MAY BE ABOLISHED

If Suitable Cabins Are Provided, City Will Not Compete With Private Enterprise

All the members of the City Council were present at the regular session on Monday night.

Messrs. J. H. Aberdeen and W. Millar waited upon the Council to ascertain its attitude in regard to the establishment of a tourist camp as a private enterprise, in view of the existing camp operated by the City in the Park.

Mr. Aberdeen, who acted as spokesman, said the promoters of the local scheme had been investigating the tourist camp situation in other cities, as compared with conditions in Kelowna, and they considered there was no better site here than the City Park, but, if the Council did not desire to erect cabins and would be willing to do away with the present camp, they would undertake to provide a first-class tourist camp with cabins.

The Mayor, read a legal opinion, recently rendered by the City Solicitor, to the effect that the Council had no power to rent any portion of the Park to any private individuals for the purpose of running a tourist camp.

Ald. McKay, chairman of the Parks and Boulevards Committee, said the tourist camp, as operated at present by the City, was not remunerative, and he believed it would be advisable to close it if private enterprise would install an up-to-date tourist camp elsewhere on a suitable site.

The Mayor having promised that the matter would be given careful consideration, Mr. Aberdeen thanked the Council for the hearing accorded and the deputations withdrew.

Ald. Jones, during subsequent discussion, expressed the opinion that any camp that might be instituted by private enterprise should cater also for tourists who brought tents with them, as many who came to Kelowna year after year were in the habit of camping out, while a number preferred to do so, in any case, rather than occupy a cabin.

Ald. Gordon had heard much criticism of Kelowna elsewhere because of the lack of cabin accommodation, which was now provided at nearly all up-to-date tourist camps.

The following resolution was placed upon the minutes:

"Resolved, that this Council go on record as being in favour of discontinuing the use of a portion of the City Park as a tourist camp, provided that an up-to-date tourist camp is supplied for all classes of tourists by private enterprise."

Tourist Agent's Report

The report of the Tourist Agent, Mr. Thos. E. Byers, for the period from September 16th to 29th, inclusive, showed total receipts of \$20.00 in fees at the Tourist Camp.

Municipal Convention

Considerable time was occupied with discussion of arrangements in connection with the conventions of the Good Roads League of B. C. and the Union of B. C. Municipalities, to be held at Kelowna next week.

City Clerk Dunn stated that he had received notification of the proposed attendance of 150 delegates, with twenty municipalities yet to hear from, so that the total number would possibly run to two hundred.

It was decided to rent the auditorium and adjoining rooms on the ground floor of the I.O.O.F. Temple from October 7th to 10th, inclusive, at a cost of \$40, for the use of the conventions.

Teachers' Convention

Another large convention will be held the week following, notice having been received from Miss K. F. Corry, Secretary, that the annual convention of the Okanagan Valley Teachers' Association would be held in the Junior High School on October 16th, 17th and 18th, with formal opening on Thursday evening, at 8 o'clock, at which the Mayor was requested to officiate.

Definition of "Commercial Traveller"

Classification of individuals and businesses for assessment of fees payable under the Trade Licence By-Law is a prolific source of work for the City Clerk and the City Solicitor, correspondence and legal opinions in that regard being laid before nearly every Council meeting. The latest problem concerned the rating of visiting salesmen, whether bona fide commercial travellers selling only to retailers for the purpose of resale, or selling direct to consumers.

After discussion, the following resolution was passed:

"Resolved, that the Union of B. C. Municipalities be asked to recommend to the Provincial Government that, for the purpose of Section 290 of the Municipal Act, 'commercial traveller' be defined as 'a person who sells goods, wares, merchandise or foodstuffs to merchants for resale by them.'"

VETERAN PRIEST LEAVES FOR NEW SPHERE OF WORK

Rev. Father Verbeke Is Recipient Of Gifts From His Parishioners

The Rev. Father Verbeke, who has been pastor of the Church of the Immaculate Conception in Kelowna for the past twenty-three years, left on Tuesday for Vancouver, where he will act as assistant to Father Forget in St. Patrick's Parish.

Father Verbeke came to British Columbia in 1885 and was stationed on Vancouver Island for twenty-two years. He came to Kelowna in 1907 and the parish has been under his guidance ever since. He was succeeded this summer by the Rev. Father McIntyre.

Not content, however, to remain in Kelowna in comparative ease, he elected to continue his priestly labours in Vancouver.

On Sunday night the congregation remained after benediction to present the reverend father with a well filled purse, a smoking jacket and pipe. It was characteristic of Father Verbeke that the presentation should be a surprise to him. Ever eager to give material help and spiritual consolation, the thought of reward never occurred to him and his touching reply to the address of presentation brought home to the people of the parish the very deep affection they have for him and their sincere regret at his decision to leave Kelowna.

It is hoped that Father Verbeke will continue to regard Kelowna as a home. He carries with him the deepest respect and regard of all those who know him.

MCINTOSH MOVEMENT IS SLOW

Large Quantity Shipped To New York For Storage And Later Sale—Fair Demand For Jonathan

The McIntosh movement this year has not been as satisfactory as was anticipated, it is reported by valley fruit shippers. The movement is extremely slow on the prairies and in points east, the effect of which, of course, is being felt here to a great extent.

More than one fruit shipper is of the opinion that the opening prices set by the Committee of Direction were too high, and this opinion is shared by prairie jobbers. As the situation stands, it is apparent that price reductions, if put into effect at the present time with a view to relieving the condition prevailing, would be of little avail as jobbers report that retailers are stocked with Macs at the opening prices. They contend that a reduction in prices at this time would result in considerable loss.

Just what will develop to relieve the situation and to speed up the movement, if excessive dumping is to be avoided, is impossible to say.

From 150 to 200 cars of McIntosh, Fancy, are being shipped to New York for storage and later sale.

Jonathan are commencing to move in bulk and a fair market demand is reported. Prices set on Tuesday by the Committee of Direction are as follows: Fancy, \$1.35; C Grade, \$1.25; Household, \$1.10; and bulk, \$40 per ton.

Wealthies are well cleaned up. Ten or fifteen cars of Hyslop crab apples are being shipped to United States points and reasonable prices are expected.

Valuations for duty under the new tariff, as announced from Ottawa on Tuesday, are meeting with general satisfaction in the valley, and the application of the tariff in this respect is expected to give strength to at least one of the weaknesses that has enervated the fruit industry in the past.

NEW CUSTOMS VALUES ON IMPORTED PRODUCE

The following memorandum was received on Tuesday by the City Clerk from the Interior Committee of Direction:

"The following wire just received from Burrows:

Previous Customs values fruit and vegetables will be cancelled October first and following new values gross weight effective all entries on and after October first: peaches, four half until October fifth; pears, three quarters until October thirty-first; remainder effective until cancelled; apples, three; cabbage, one one-quarter; celery, two; onions, two; mushrooms, thirty; tomatoes, five. Dump duty will be applied and is difference between fixed values and import price, but not to exceed fifty per cent of fixed price."

The punctuation marks are ours; presumably the figures refer to cents per pound. A request to the Committee for further elucidation of the telegram has met with no response.

WATT DISMISSAL ENQUIRY ADJOURNED

VICTORIA, Oct. 2.—When the enquiry into the dismissal of Norman Watt, former government agent at Prince Rupert, was resumed here today, Mr. Justice W. A. MacDonald stated that the real point was whether or not Watt had acted in good faith in retaining coroner's fees. C. H. Locke asked for an adjournment until October 16th, when A. M. Manson, counsel for Watt, could attend. The request was granted.

SOME GOOD RACING AT FALL FAIR

Attendance Thursday Afternoon Prejudicially Affected By Chilly Weather Conditions

The mounted sports at the exhibition grounds on Thursday afternoon last, and a dance at the Scout Hall in the evening, brought to a conclusion the thirty-fourth annual Fall Fair. As on the previous day, Thursday afternoon was too cold for the comfort of spectators other than those who had the forethought to don overcoats, and the chilly atmosphere was doubtless responsible for the comparatively small attendance. When the sports began, there were two people in the grandstand and only a few had been added to this number when the programme was well under way. However, as on previous occasions, a number of people were lined up along the fences skirting each side of the track, and automobiles also took their stand in the available parking places.

The Conklin & Garrett Shows were well patronized during the afternoon, and evening, and those who had not previously had the opportunity to do so, inspected the displays in the exhibition building.

The sports, which included some very good races, were followed with interest and were concluded at an early hour in the afternoon. The officials of the Fair Association handled the events satisfactorily. Mr. H. E. Atkinson acted as announcer, Mr. B. T. Haverfield, as Clerk of the Course, assisted by various Directors of the Association, who served in the capacity of starters and judges.

Eliminations in the tent pegging and bending races were scheduled to take place in the morning, but they were cancelled the afternoon contests constituting the finals. Two match races, a quarter-mile and a half-mile, were called off when one of the horses entered failed to appear.

Quarter-mile open Horse Race.—1st prize, \$10; 2nd, \$5. 1. Adam Hay; 2. Gus Macdonnell (Felix Casorso, jockey). There were four entries in all in this, the opening race, which was an exciting contest. The two leading horses crossed, the finishing line almost neck and neck, the Adam Hay pony slightly in the lead. Rose Affick was third.

Quarter-mile Race, boys and girls under 18 years.—1st prize, \$5; 2nd, \$3; 3rd, \$2. Seven entries. 1. Sydney (Continued on Page 8)

PHILADELPHIA WINS AGAIN FROM ST. LOUIS

PHILADELPHIA, Oct. 2.—In the second game of the world's baseball series today, the Philadelphia Athletics defeated the St. Louis Cardinals 6-1, taking a lead of two games. The first team to secure four victories in seven games wins. Cochrane, of the Athletics, again made a home run, scoring two men ahead of him.

PEAK OF SOVIET GRAIN EXPORT MAY BE PAST

LONDON, Oct. 2.—British grain experts believe that the peak of the Soviet attempt to dump grain on the markets of the world has been passed. Reports are current that Russia is having trouble collecting supplies for shipment from Black Sea ports, but small shipments are to be expected for three months yet. It is believed that the desperate need of funds by the Soviet has led to the attempt to smash the grain markets.

PREMIER BENNETT HAS AUDIENCE WITH THE KING

LONDON, Oct. 2.—Premier Bennett of Canada was granted an audience with the King today.

NORTHCOTT PAYS SUPREME PENALTY

SAN QUENTIN PRISON, Cal., Oct. 2.—Gordon Stuart Northcott, slayer of three young boys on his Wineville, Cal., chicken ranch, was hanged at ten o'clock this morning. He protested his innocence to the last but declared that his mother, now serving a life sentence, and his cousin, Sanford Clark, knew all about the killing of the boys.

Northcott was arrested at Okanagan Landing two years ago after a sensational pursuit, and the subsequent legal proceedings in California were equally sensational in many ways. Appeals against the death sentence imposed upon him prolonged his life but all were rejected by the courts.

SALMON PLENTIFUL BUT MAY NOT BE TAKEN

VANCOUVER, Oct. 2.—Despite the fact that the headwaters of the Fraser River are teeming abundantly with salmon, Major J. A. Motherwell, Chief Inspector of Fisheries, today refused to lift the prohibition of salmon fishing, although the nets of four thousand fishermen stretch idly in the sun along the river banks. The embargo may be lifted late in November, if the fish have spawned.

Fishermen state that if the present salmon school succeeds in spawning without interruption, the fishing for many years to come will be assured.

"So your husband was lost at sea?"

"Yes, a bathing beauty got him."

MUNICIPAL AND GOOD ROADS CONVENTIONS

Proceedings Will Cover From Tuesday To Friday Of Next Week

The members of the City Council, civic officials and many citizens will be busily engaged next week in attending at the annual conventions of the Good Roads League of British Columbia, the Union of British Columbia Municipalities and the Municipal Officers' Association of British Columbia, and in ministering to the comfort and entertainment of the delegates.

The proceedings will be carried on in the I.O.O.F. Hall, and will be open to the general public as spectators but not as participants in any discussions.

Good Roads League

The opening session of the Good Roads League will begin at 10 a.m. on Tuesday, October 7th, with the usual formalities of addresses of welcome and replies. Besides the customary routine business, discussion of resolutions and other matters, the following addresses will be delivered:

11.00 a.m.—"City Street Improvements," by S. S. McDiarmid, City Engineer, Trail.

11.30 a.m.—"Notes on the Maintenance of Highways in B.C.," by P. Philip, Chief Engineer, Provincial Public Works Department, Victoria.

12.00 noon—"Co-operation," by S. L. Squire, Toronto, Ont., Chairman of Executive, Canadian Good Roads Association.

2.30 p.m.—"The Highway and the Motorist," by D. E. McKenzie, President, Automobile Club of British Columbia, New Westminster.

3.00 p.m.—"Importance of Location, Alignment and Surfacing for Arterial Highways," by C. H. Purcell, State Highway Engineer, Sacramento, Cal.

4.00 p.m.—Address by H. H. Dusen, Chairman, Oregon State Highway Commission.

The evening will be devoted to entertainment.

The concluding session on Wednesday morning will be occupied chiefly with discussion of resolutions and election of officers, together with a paper, at 10 a.m., on "Highway Hazards," by Dr. P. E. Doolittle, Toronto, President, Canadian Automobile Association.

The annual luncheon will be held at 12.30, followed by an address on "B. C. Highways," by Hon. Nels Loughheed, Provincial Minister of Public Works.

Union of B. C. Municipalities

The first public session of the Union of B. C. Municipalities will convene at 2.30 p.m. on Wednesday. A civic welcome will be extended by Mayor Rattenbury, and Hon. J. W. Jones, Speaker of the Legislature, will deliver an address. The remainder of the session, which is scheduled to adjourn at 5.30 p.m., will be occupied with reports.

The Resolutions Committee, which always has much hard slogging work to do, will meet in the evening but there will be no general session.

The convention will reconvene at 9.30 Thursday morning and will carry on until 12.30 p.m. and from 2.30 to 5.30 p.m. Only two addresses will be given during the day, on "Status of the Municipal Technical Official," during the morning session, by G. Walken, M.L.A., and a talk by Robert Baird, Inspector of Municipalities, during the afternoon. The proceedings will be devoted chiefly to consideration and discussion of resolutions.

At 7.00 p.m. the delegates will be banqueted in the Royal Anne by the Kelowna City Council, with a dance afterwards.

The business of the convention will be wound up on Friday morning, when unfinished business will be cleaned up, officers elected for the ensuing term and the place of meeting chosen for next year.

Municipal Officers' Convention

The convention of the Municipal Officers' Association is scheduled to commence at the same time as that of the Municipalities, but the municipal officials generally manage to sandwich in their business sessions so as to be able to attend the meeting of both bodies.

The attendance is expected to number about two hundred, and the City Council is making every possible effort to provide for the comfort and enjoyment of the visitors. The Kelowna Club already has offered privileges to the delegates, and other social and sporting organizations are in line to do likewise. Drives throughout the orchard country are being planned and packing houses and canneries will be visited. Transportation will be provided for delegates who may have to be accommodated in outlying portions of the city or at the Eldorado Arms, Okanagan Mission.

The Council invites the cooperation of citizens generally in making the visit of the delegates a memorable one and in maintaining the generous traditions of Kelowna hospitality.

NEW TRADE TREATY FOR CANADA AND AUSTRALIA

LONDON, Oct. 2.—Negotiations for a new trade treaty between Canada and Australia have been launched at a conference here between Hon. H. H. Stevens and Premier Scullin of Australia.

Australia declares that it can supply dried fruits, oranges, wool, pineapples and many other articles which Canada buys from foreign countries. In return, Australia is willing to take a large quantity of Canadian manufactured goods.

New Zealand is also conferring with the Canadian representatives here for the Imperial Conference, and her delegates express the hope that the new Canadian eight cent tariff on New Zealand butter will be reduced.

CONQUEST OF LOFTY PEAK IN ALASKA

Canadian Club Members Hear Thrilling Description Of Ascent Of Mount Logan

The annual general meeting of the Canadian Club of Kelowna was held in the Royal Anne Hotel on Wednesday of last week, when some forty members gathered at a dinner to transact the business of the meeting and to hear an address by Col. W. W. Foster, D.S.O., of Vancouver, who chose for his subject "The Ascent of Mount Logan."

President F. M. Black occupied the chair, supported by Mr. E. W. Barton, Secretary, who read the President's report and submitted the balance sheet, both of which received the approval of the members.

Election Of Officers

The election of officers resulted as follows: President, Mr. F. M. Black (re-elected); Vice-President, Mr. E. C. Weddell; Secretary, Mr. A. J. Cameron. Executive Committee: Messrs. N. D. McTavish, D. W. Sutherland, J. Ball, H. B. D. Lysons and W. M. Fraser.

The question was discussed of the advisability of forming a joint club and enrolling lady members, but it was eventually decided to leave the matter in the hands of the incoming executive, who have authority to invite the lady friends of members to hear speakers when it is thought advisable.

Ascent Of Mount Logan

Following the business meeting, adjournment was made to the Junior High School Auditorium, where Col. Foster, with the aid of lantern slides, gave a most illuminating address descriptive of the ascent of Mount Logan, formidable and almost unconquerable, the summit of which was reached by a party of which Col. Foster was a member in the spring of 1925. Prior to that time, the extreme and hazardous heights of that great mountain had never been essayed by man, and the accomplishment of the men who endured hardships to push onward courageously to its summit goes on record as being a truly remarkable feat. While the speaker did not dwell upon the element of danger involved in the climb,

CANADIAN CATTLE MOVE FREELY TO BRITAIN

MONTREAL, Oct. 2.—Canadian cattle exports to Britain reached sixteen hundred head today with the shipment of three hundred steers. No cattle were shipped last year.

CAR THIEVES END RIDE WITH INJURIES

VANCOUVER, Oct. 2.—As the result of a ride in an auto which they are alleged to have stolen early this morning, Dwight Whitworth lies in hospital with a fractured skull, and Art Terry, his youthful companion, is seriously, though not dangerously, injured. The recovery of Whitworth is doubtful.

The car crashed into a bridge and caught fire. The occupants were pinned underneath, but were rescued by a physician residing near by.

R-101 BEING GROOMED FOR FLIGHT TO INDIA

CARDINGTON, England, Oct. 2.—The British dirigible R-101, being groomed for a flight to India. The ship completed a sixteen hour trial today, which was pronounced satisfactory by the Air Ministry.

FIRING SQUADS KEPT BUSY IN RUSSIA

MOSCOW, Oct. 2.—The Pravda and Izvestia, official Soviet newspapers, declare today that since January 1st more than five hundred persons have been executed for counter-revolutionary tendencies. The record was set in August, when more than one hundred were shot.

ROYAL BROTHERS TO VISIT BUENOS AIRES

LONDON, Oct. 2.—The Prince of Wales will be accompanied by Prince George when he visits the British Trade Exhibition in Buenos Aires during March next.

The News-Chronicle states that Prince George eventually will be appointed Governor-General of one of the Dominions when he shall have gained more experience in some less important office.

"In future," states that journal, "neither in Britain or the Dominions will the public be satisfied to permit the governor-generalships to remain merely as rewards for political services."

"It is much more desirable that wherever possible the King's representatives overseas should be members of the King's own family."

MINE EXPLOSION IN ENGLAND KILLS FOURTEEN

WALSALL, England, Oct. 2.—Fourteen miners were killed last night in the Grove colliery at Brown Hill. Rescuers were severely handicapped by slides in the mine. A thousand men were working deep in the mine at the time.

MISSIONARY WILL TELL OF INDIA

Rev. C. C. Donald To Speak In United Church On Sunday Evening

The members and adherents of First United Church will have the opportunity of hearing the Rev. Charles C. Donald, of India, at the evening service on Sunday. Mr. Donald has a good grasp of the situation in India and his message will be of especial interest at this time in view of the present trouble there. Mr. Donald is passing through the valley and will speak at Vernon on Monday evening, proceeding to Kamloops on Tuesday to address a gathering there on the evening of the same day.

The Communion Service will be held at the morning hour of worship and the entire service will be devoted to the sacrament. This is a service that none of the members of the church should miss, and the Session extends a specially cordial welcome to visitors who are followers of the Lord Jesus Christ to participate.

BIG SOLATIUM FOR FORMER LIQUOR BOARD CHAIRMAN

VANCOUVER, Oct. 2.—It is understood, although not confirmed officially, that Hugh Davidson, former chairman of the Liquor Control Board, will receive \$25,000 from the Government as compensation for cancellation of his twelve thousand dollars a year contract, which had four years yet to run.

NO IMPROVEMENT IN PRAIRIE MARKETS

Fruit And Vegetable Jobbers Report Business Exceptionally Quiet For This Time Of Year

(Telegraphic report by J. A. Grant, Markets Commissioner)

CALGARY, Oct. 1.—Calgary district again is favoured with fine sunny days, although the nights are cool. It will take another week of clear, sunny weather to make threshing possible, as the rains over practically all of Alberta and parts of Saskatchewan soaked the stocks thoroughly. Country roads are drying slowly.

All country business is practically at a standstill. City fruit and vegetable jobbers report business exceptionally quiet for this time of year. It is expected, however, that normal conditions will prevail upon resumption of threshing and the betterment of country roads.

The heavy rains have produced an anomaly in potatoes. With Alberta about to harvest one of the largest potato crops in its history, Calgary actually has experienced a shortage of the vegetable this past week. Local growers could not dig their crop on account of the extremely wet conditions, and this applied equally to southern Alberta and the northern portion of the province. The small quantities from B. C. in mixed cars did very little to relieve the situation. Two cars from Lethbridge today will ease the shortage and it is expected that local digging will be resumed within the next couple of days.

The Netted Gems from the Vernon district are giving very poor satisfaction. Shippers are certainly taking advantage of the no-grading rule and are netting anything. They are shipping everything that comes out of the hill and, to say the least, are creating a feeling among local jobbers that the B. C. shippers think anything good enough for the prairie and that he will take advantage of any law or lack of law to put one over on the prairie jobbers. The Main Line shippers have shown the same spirit and some of the spuds from that district were, if anything, worse than the Vernon shipments. A moving ahead of fifteen days of the Dominion grading law as it affects potatoes would, we believe, be a step in the right direction.

All parts of Alberta appear anxious to get into the potato shipping game and jobbers are being besieged for quotations. The general price quoted for future shipments from central Alberta and the Edmonton district is 35c per bushel. Manitoba is also offering at this price. Lethbridge district is offering Cans at \$20 and Carams at \$18.

Manitoba is offering cabbage at \$12 per ton in bulk, and claims to have a surplus of No. 1 Danvers onions but no price is quoted. Local gardeners are supplying cabbage crated at \$22 per ton. Jobbers report B. C. cabbage arriving very wormy.

Armstrong celery has been arriving in quantities since the advent of cooler weather, and the quality is good. A shipment of twenty-five crates of celery from Okanagan Mission arrived in unspiced condition, every stalk being split on the inside, wrinkled and pithy, evidently due to blight of some kind or an over-supply of water.

A check-up today revealed the fact that Calgary jobbers have over four thousand crates of peaches on hand. This is dynamite on the first day of October. Fortunately, very few of these are from B. C., most of them being Washington cold storage stocks. This is accounted for by the fact that the latter part of the season saw a split on the inside, wrinkled and pithy, evidently due to blight of some kind or an over-supply of water.

LOCAL FACTORY MAKES VENEER BOX TOPS

Interesting Process Employed In Manufacture Of Unitized Lids For Fruit Packages

Close to the end of the Canadian National tracks at Manhattan, there may be seen in operation any weekday a factory erected this year by S. M. Simpson, Ltd., wherein a very interesting process is employed for the manufacture of "unitized" lids for apple and other fruit packages.

The mill, of stout frame construction, with a corrugated iron roof, is advantageously located on the water's edge, so that the pine logs which constitute the supply of raw material can be brought to it from any point on Okanagan Lake, while the railway tracks run through the yard, a short distance away, in which the finished product is piled for shipment.

The factory has been laid out with forethought, so that the various operations are progressive and there is practically no back-tracking of the material as it passes through the various machines. The logs come up a slide from the water to a cut-off drag saw, which saws them into lengths equivalent to slightly more than the measurement of two apple box lids placed end to end. The lengths of log are then tumbled into a large wooden vat full of water, which is heated from a large boiler outside the factory, the fuel burned being trimmings, odd bits of logs and other waste material. The logs are left in the hot water for four or five hours for the purpose of softening them so as to lessen resistance to the knife of the veneer machine.

From the vat the logs go to the veneer machine, which is really a very powerful lathe equipped with a blade 52 inches long, against the cutting edge of which the log revolves longitudinally, a veneer three-sixteenths of an inch thick being produced in strips averaging about fourteen feet long at amazing speed. Spur knives work on the log at the same time as the veneer blade, cutting the wide strip of veneer into two parallel strips of the exact length of an apple box top and trimming the ends. The long strips, passing next to a clipping machine, equipped with a large blade, which divides them into pieces of standard size, measuring 3 1/2 inches by 19 1/2 inches. The pieces are carefully sorted by girls, who reject all faulty ones, which are sent back to be cut to narrower measure or go to the boiler for fuel, if worthless as box material.

WEDDING GIFTS FOR THE FALL BRIDE FROM PETTIGREW'S

are of the best quality, are reasonably priced, are nicely done up ready for delivery and delivered if you so desire.

1st Kelowna Troop

Troop First! Self Last!

Edited by S.M.

Sept. 30th, 1930.
Orders for the week ending October 9th, 1930:

Duties: Orderly Patrol for the week, Eagles; next for duty, Otters.

Rallies: The Troop will parade at the Scout Hall for the regular weekly meeting on Monday, October 6th. The regular weekly basketball practices will be resumed on the Friday previous, at 7.30 p.m.

The parade last Monday was taken by our District Commissioner, Mr. E. C. Weddell, who will be holding the meetings for the next few weeks while the S.M. is on leave of absence. We are very glad that Mr. Weddell is once more able to attend our rallies, from which he has been absent since November of last year.

The Patrol standing in the competition is as follows: Otters, 150; Eagles, 85; Wolves, 82; Beavers, 75. The Wolves, who were Orderly Patrol, forfeited 10 points this week because the Patrol Leader did not report and a further 10 because they neglected to sweep out the Hall.

Mr. Dyke Reed kindly presented the Troop with a set of semaphore signalling flags, which will be very useful indeed.

At the meeting on Monday night, Scouts Harding, Scott and D. Martin were successful in passing the Mile at Scouts Pace. Scout D. Martin proved himself most proficient in this test by arriving exactly on time (12 minutes).

We wish to draw to the attention of all Scouts and Cubs and of the parents of Scouts or Cubs, that we have a supply of the 1930 Price List from the Boy Scout Stores Department at Ottawa. It is, from a Scouting point of view, very desirable that you order your Scout or Cub equipment from this Price List, because it insures uniformity in the Troop as regards colours and shades of the boys' uniforms, thus giving the Troop a much smarter appearance. We can assure you that the material in the uniforms and equipment obtained from the Stores Department will give the utmost satisfaction. Besides this they carry a very complete line of outdoor equipment for Scouts, not to mention first aid kits, signalling outfits, staves, whistles, flags, pictures and a wonderful selection of books suitable for boys. Keep this catalogue in mind when you are planning your Christmas presents and you will most certainly find something suitable for the boy.

WESTBANK

Mrs. Gorman, of Glenrosa, and Mr. Alan Davidson, of Westbank, had a collision between her car and his truck, on Powers Creek bridge, on Monday morning. Happily no one was hurt and the cars did not suffer much damage.

During the past week twenty-four cars of fruit were shipped. This compares very favourably with a few years back, when a season's crop amounted to 25 cars.

Mrs. Acheson left on Saturday to visit friends in Penticton.

Mr. and Mrs. Davis, of Seattle, who motored up to visit their sister, Mrs. J. M. Jones, have left for home.

The sudden death of the Rev. Mr. Sadler at Armstrong, on Sunday, gave a great shock to his many friends and parishioners of the United Church at Westbank. Messrs. Gore, Howlett and J. U. Cellatly attended the memorial service held at Armstrong on Monday.

The funeral is to take place at Montreal, where the late Mr. Sadler's relations reside.

After a great deal of wrangling over nothing, the eighty or ninety people who attended the meeting called by the Chamber of Commerce last week finally made up their minds that they wanted a post office, says the Salmon Arm Observer. They also appointed a committee to collaborate with committees from seven other organizations to choose a suitable site.

Auguring well for the coming basketball season was the organization meeting of the basketball club at Salmon Arm, held last week. Major J. Ellis Wood was chosen as President, while Mr. Jack Beech was chosen Vice-President, Ray Williston, Secretary, and Douglas Rattray, Reporter.

The Anglo-Egyptian Sudan has an intensive good roads campaign.

Miles Per Hour
ON

HOME GAS

5 FIRST PRIZES

At the International Outboard Speedboat Races, held at New Westminster, August 30 to September 1, five first prizes were awarded to boats fuelled with Home Gas. Jerry Bryant, with the Ann How, made the remarkable time of 41.507 miles per hour, the fastest time made during the meet. Jerry is, naturally, a great enthusiast for Home Gas!

These records were made with the same Home Gas as used by automobiles and dispensed by all Home Gas Stations.

Canadian Prosperity Week

NEVER since the war has Canada listened to such a nation-wide appeal as that involved in CANADIAN PROSPERITY WEEK. It is a mighty call to arms of merchants and business men, a plea to Canadian citizens, young and old, to enlist in the army of PROGRESS and PROSPERITY. Sweeping across Canada like a flame of optimism fanned by winds of trade and commerce, this Prosperity Week Campaign is quickly chasing out of the country business gloom and despair.

Merchants whose names appear on this page have wholeheartedly endorsed CANADIAN PROSPERITY WEEK. They will display and sell specially during this week, goods made in Canada or the British Empire.

The Empress Theatre, Board of Trade, newspapers and other organizations have arranged to co-operate to make it the biggest week that Kelowna has ever known. By buying at home you are going to assist materially in helping to solve Canada's employment problem.

This movement is nation-wide. Every city, town and village in Canada is taking part. It is not a scheme to make money for any certain individuals. It is a great movement, a sane step forward by Canadians in chasing Old Man Gloom out of Canada and installing in his place the new King of Industry and his cohorts, good times ahead.

*An insulator
saved
may mean a
life saved.*

Insulators, those glass caps on telephone poles to which the wires are connected, are important factors in keeping the telephone service open. If they are broken, a cessation of service is likely to result.

So the breaking of an insulator, putting telephone service out of order, may prevent an emergency call from going through and thereby result in the loss of a life. Likewise, an insulator saved may mean a life saved.

Deliberate breaking of insulators is a criminal offence, and prosecution will follow detection.

THE KELOWNA COURIER AND OKANAGAN ORCHARDIST.

Owned and Edited by
G. C. ROSE

SUBSCRIPTION RATES
(Strictly in Advance)
To any address in the British Empire, \$2.00 per year. To the United States and other foreign countries, \$2.00 per year.

The COURIER does not necessarily endorse the sentiments of any contributor's article. To ensure acceptance, all manuscripts should be legibly written on one side of the paper only. Typewritten copy is preferred. Amateur poetry is not published. Letters to the editor will not be accepted for publication over a "nom de plume" the writer's correct name must be appended.

Contributed matter received after Tuesday night will not be published until the following week.

ADVERTISING RATES
Contract advertisers will please note that their contract calls for delivery of all changes of advertisement to The Courier Office by Monday night. This rule is in the mutual interests of patrons and publisher, to avoid congestion on Wednesday and Thursday and consequent night work, and to facilitate publication of The Courier on time. Changes of contract advertisements will be accepted on Tuesday as an accommodation to an advertiser confronted with an emergency, but on no account on Wednesday for the following day's issue.

Transient and Contract Advertisements—Rates quoted on application.

Legal and Municipal Advertising—First insertion, 10 cents per line, each subsequent insertion, 5 cents per line.
Classified Advertisements—Such as For Sale, Lost, Found, Wanted, etc., under the heading "Want Ads." First insertion, 25 cents per line; each additional insertion, without change of matter, 10 cents per line. Minimum charge per week, 30 cents. Count five words to line.
Each initial and group of not more than five figures counts as a word.
If so desired, advertisers may have replies addressed to a box number, care of The Courier, and forwarded to their private address, or delivered on call at office. For this service, add 10 cents to cover postage or filing.

THURSDAY, OCTOBER 2nd, 1930

PROSPERITY WEEK

October 11th to 18th has been selected for "Prosperity Week" throughout the Dominion of Canada. Merchants, business men of every class, boards of trade, city councils, newspapers and various organizations are co-operating in a nation-wide drive with the primary object in view of stimulating the sale of Canadian-made goods, of offering exceptional opportunities for the purchase of them, of chasing out gloom and depression and establishing a new air of optimism in Canada, of alleviating their unemployment problem.

Admittedly, this is a big order, but that which is worth having is worth striving for. United efforts, concentrated forces—every Canadian with his shoulders behind the wheel—should not fall far short of accomplishing in large measure some of the things that Canadian Prosperity Week is designed to do.

The idea is sponsored by Famous Players Canadian Corporation, who are furnishing advertising material for the merchants and others who are lending their support to the campaign. Through their chain of theatres in the Dominion, they are enthusiastically boosting Prosperity Week. One of the most effective of the methods employed will be seen and heard at the Empress Theatre here and throughout Canada next week, when a talking film of Premier R. B. Bennett will be exhibited. This film was especially prepared for showing in advance of Prosperity Week, and the Premier's views on the subject will be listened to with interest.

Tomorrow night, at the Royal Anne Hotel, the Retail Merchants' Association will meet to discuss Prosperity Week and to formulate plans for dollar days on Friday and Saturday, October 17th and 18th, the last two days of the national drive. On those days window displays will be especially attractive with a predominance of Canadian-made products.

For the best display of Canadian-made goods by local merchants on Saturday, October 11th, the Kelowna Board of Trade will award a cash prize of \$15, and for the second best exhibit the Retail Merchants' Association will give \$10.

The Empress Theatre has arranged an attractive programme for Prosperity Week, the opening picture, "So This is London," starring Will Rogers, being one of the "sunniest" films seen in Kelowna in a long time.

"Sunniest" is the word. It is synonymous with prosperity.

Clifford Fassier, who broke from the Pentecost gaol on August 22nd, has been recaptured at San Francisco. Fassier had been sentenced to serve fifteen months at Oakalla for breaking and entering the premises of the A. J. Smith Garage Co., Ltd., at Pentecost.

The new Anglican church at Pentecost was opened on Sunday of last week. Ven. Archdeacon Greene, of Kelowna, assisted by the Rector, Rev. H. P. Barrett, officially opened the fine new building, which has a stone finish and is really a work of art.

The Pentecost branch, Canadian Legion has received its beer club licence from the provincial authorities.

For the second successive time, Pentecost schools won premier honours for school exhibits at the International Fall Fair at Osoyoos this year.

It is said that the Scots are cured from stuttering by making them talk over the long distance telephone.

EAST KELOWNA

A very quiet wedding took place in Kelowna last Wednesday when Mr. W. Hince, who for several years has worked on the B. C. Orchards, was married to Miss Cozens, of Manchester, England, on her arrival from the Old Country. We wish them all happiness and prosperity.

A very enjoyable dance was held in the Community Hall last Friday night, when an excellent orchestra supplied good music. The attendance was rather disappointing, but owing to the K.G.E. Packing House working overtime and other attractions in town, it was not to be wondered at. Those who were there enjoyed a musical treat, with Mr. Hall at the piano, Mr. McKenzie, violin, and Mr. Treadgold, with the drums, making a fine combination. Mrs. Robertson and Mr. Burrard, violin, supplied some good Scottish and old time dances. Mrs. Davidson was in charge of the refreshments and Mr. Davidson acted as M.C. The promoters hope to make these dances a regular success, and to hold another at an early date.

Colds seem to be prevalent these days and a number of members in the community are suffering from the flu. Mr. Denny is still in hospital suffering from asthma. We hope to hear all the sufferers have recovered.

A number of our growers carried off prizes at the fair, chief amongst them being Mr. C. Tucker, with a substantial list of prizes for fruit, also Mr. W. McTavish, and Mrs. McTavish was successful with fine fancy work. Considering this is a great fruit growing centre, the exhibition is a poor advertisement and not only the exhibition; we never seem to see the best samples of fruit shown in the stores, but we do see a fine display of imported fruit, and always lemons, lemons, everywhere.

We hear that Mr. and Mrs. G. Allan have bought a bungalow on Pendozi St., Kelowna, and will be taking up a permanent residence there. We regret that they are leaving East Kelowna, as they have always been to the forefront in any social activities, and it will be a loss if they forget us.

OKANAGAN MISSION

There will be Sunday School next Sunday, at 10 a.m.

The next meeting of the Women's Institute will be on Tuesday, Oct. 7th, at 3 p.m. at Mrs. Pare's house. As this is the first formal meeting since June, and there is a good deal of business to discuss, it is hoped that there will be a good attendance.

Will those members of the Institute who have grown potatoes from the seed supplied by Mr. Jas. Luckett kindly bring their bags of potatoes to Mrs. Pare's with them on Tuesday next? Mrs. Luckett will weigh the potatoes there, and the prize offered by Mrs. Murdoch for the most successful crop will then be awarded. The potatoes will be sent to the Kelowna Hospital.

The Misses Ford and Mrs. Templar, who have been spending the summer at the Mission, leave this week for England. This beautiful fall weather should help to remind them pleasantly of the Okanagan. We wish them a pleasant journey.

The young people of Mission certainly "did their bit" at the Fall Fair—Sidney Johns, Joan Tallyour and Leicester Collett all being prize winners in the horse races. At the gymkhana on Wednesday afternoon, Joan Tallyour won the Aggregate-Cup presented by Mr. J. Horn to the boy or girl winning the highest number of points for the various events.

Mr. W. D. Walker has rented his shack by the lake shore to Mr. Thom.

Mr. and Mrs. Henning leave the Mission today for Vancouver. They are returning to England by the Panama route, but people who have once visited the Okanagan have a way of coming back again and we hope and moreover strongly suspect that Mr. and Mrs. Henning will conform to this admirable custom.

This Heading Seems Ferocious But It Really Is Not

Blood wanted!
This is not a case of the fabled "fe-fu-fun!" I smell the blood of an Englishman, nor does it involve any insane craving for vengeance.

Blood is wanted, but it is required to save the lives of little children from a dread disease which left an ineffable mark of sorrow behind it in Kelowna households three years ago and now menaces other communities in the Okanagan.

The following appeal has reached the District Medical Health Officer from a neighbouring town:

"In case of an outbreak of infantile paralysis in our town, would it be possible to obtain the serum for treatment from your laboratory, and, if not, do you know where it could be obtained and on how short notice?"

"If it is possible to keep this on hand, I believe the Junior Hospital Aid would be willing to pay for a certain quantity. In any case, in view of the epidemics in various towns not too far away, we would like to know how we stand in regard to obtaining a supply."

Dr. Ootmar asks:

"Do we have to answer that we have only a very little serum on hand and that it will be exhausted? One hundred c.c. of blood from people who suffered from infantile paralysis is all we ask for. Please help to save life."

Roger W. Babson, noted business economist, does not consider that present hard times are attributable to over-production. With only twenty per cent of American homes having bath tubs, he says, there is certainly no over-production of bath tubs.

Men's Underwear

Local and Personal

Mr. Grote Stirling, M.P., returned from Ottawa on Saturday.

Mrs. Watts left on Saturday by Canadian Northern for the Coast.

Miss Ida Dixie left on Monday by K.V.R. on a trip to Vancouver.

Mrs. W. B. Pease, of Victoria, was a guest of the Willow Inn over the weekend.

Mr. B. J. Peckham, of the Shell Oil Company, Vernon, was a visitor in town last week.

Mr. Cecil Scott, editor of the Sunday Province, was a visitor to the Kelowna district last week.

Mr. R. G. Rutherford was a Canadian National passenger to the Coast on Saturday, returning this week.

Miss Jessie McLennan, of Victoria, was a visitor in the city over the weekend, the guest of the Royal Anne Hotel.

Dr. John Nay and Mr. R. B. Fulton, of the Workmen's Compensation Board, were guests at the Lakeview Hotel on Tuesday.

Mrs. W. M. Mitchell left on Tuesday for Vancouver, where she will remain for about two weeks, en route to Auckland, New Zealand.

Mr. B. F. Schwenger, of McLennan-McCleary & Prior, Ltd., Vancouver, was in town on business this week, the guest of the Royal Anne Hotel.

Mr. M. S. Meadows, of New Westminster, who had been doing relief work at the office of the C.N.R. Telegraphs, returned to the Coast on Friday.

Mr. and Mrs. C. N. Prouty, of Astoria, Oregon, and Mr. and Mrs. E. S. Prouty, of Winlock, Washington, are guests of the Lakeview Hotel. They are making a tour of the district.

An Afghan, raffled at the Kelowna Fall Fair by the Kelowna Women's Institute, was won by Mr. Ferman Bell with ticket No. 60. The sum of \$27.50 was realized for the Ambulance Fund.

For supplying liquor to an Indian, a woman resident of the north end was arraigned before Magistrate Burne in the City Police Court yesterday morning, when she was fined \$50 and costs of \$2.50.

Mr. and Mrs. J. A. McCulloch and daughter, Dorothy, of Winnipeg, who are visiting Mrs. McCulloch's sister, Mrs. G. A. McKay, Pender Street, will return to the prairie metropolis tomorrow (Friday).

Mr. John Conlin, an old timer of this district, who had been staying at the Lakeview Hotel during the past month, left recently for his new home in San Francisco. He hopes to return to Kelowna next fall.

Mr. W. McLean, of Vancouver, is a guest at the Lakeview Hotel. Mr. McLean, who has been a visitor to this district for many years, holds an interest in the fruit shipping firm of McLean & Fitzpatrick, Rutland.

Mr. and Mrs. W. N. Malmberg and son, who had been visiting Mrs. Malmberg's parents, Mr. and Mrs. D. W. Sutherland, following a motor trip of the Interior, left on Tuesday for their home in the United States.

Mr. R. G. Rutherford, of Kelowna, officiated in his capacity as Governor of District No. 4 at the installation of officers of the Gyro Club of Vancouver, at a dinner meeting held in the Hotel Vancouver on Monday night.

Mr. E. Jacoby, of P. B. Willis & Co., Ltd., left on Saturday for South Africa, where he will visit his mother and other relatives. He will return in March of next year. He travelled by Canadian National to Vancouver, whence he will sail.

Mr. Lindsay Brown and Senor S. M. Navrotsky, of Chihuahua, Mexico, were guests of the Lakeview Hotel during the week. They are touring Canada by motor car, the licence plate of which was of interest, reading 2028 Part 1930, Estadado Chihuahua.

A change was made yesterday in the Kelowna-Westbank ferry schedule. The 7 a.m. ferry from Kelowna has been discontinued for the winter, as has the 7.30 a.m. boat from Westbank. The first morning ferry now leaves this side for Westbank at 8 a.m. daily.

Mr. and Mrs. Edmund Loomis, of Fenwick, Michigan, and Mr. Irvin Loomis, of Eugene, Oregon, spent the week-end with Mr. and Mrs. W. W. Copeland, Harvey Avenue. They were en route home, following a motor trip to the Chilcotin, where they visited relatives and old friends.

Mr. Hugh M. McKenzie, Secretary of The McKenzie Company, Ltd., has been appointed Manager of the Company by the Board of Directors. Mr. Geo. S. McKenzie, who has accepted the position of Manager of the B. C. Fruit Shippers, Ltd., continues to act in an advisory capacity as Managing Director.

Mr. A. S. James, of Nelson, New Zealand, was a visitor in town this week, the guest of the Lakeview Hotel. He is making a special study of the valley fruit industry, as the district in which he resides is the principal fruit producing area of New Zealand. He sails for home on the s.s. "Niagara" on Oct. 15th.

A car of the choicest of Okanagan apples, assembled and packed in the Ladd Garage by Mr. C. W. Little, of Associated Growers, Vernon, and his assistants, left Kelowna on Tuesday for the Old Country, where the fruit will be exhibited at the Imperial Fruit Show this month. The varieties include McIntosh, Delicious, Jonathan and Newtown, all packed under the expert supervision of Mr. Little. Exhibits for the Toronto Royal Winter Fair and other Canadian exhibitions are now being prepared.

Guests at the Willow Inn this week include Mrs. Alden Bliss, of Ottawa, mother of Mrs. E. C. Weddell; Mr. and Mrs. H. W. Spencer, of Vancouver; Mrs. E. Ellis, of Vancouver, mother of Mrs. Clive Percival, K.L.O.; Mr. and Mrs. Norman Goudie, of Blind Bay; Mrs. G. W. Richardson, Miss Richardson, and Mr. and Mrs. G. A. Potter, of Vancouver.

Lorraine Von Krone, owned by Mrs. J. G. Ingham, of Kamloops, won the female championship for Alsatians at the Kamloops Fair. The dog became quite well-known to Kelownians while Mrs. Ingham was camping here during the past summer. She had not been placed on exhibition before, and to win premier honours on the first attempt would indicate a brilliant future for her on the show bench.

Young musicians wishing to join the Orchard City Band should get in touch at once with Bandmaster Kirk, who is now arranging winter classes for beginners. A real opportunity is offered to boys wishing to improve their playing by working in unison under an instructor, and, at the same time, they will be rendering a service to the community by assisting in the organization of a larger and better band.

Since the advent of cooler weather, the big trout are reported to be coming to the surface in Shuswap Lake and excellent fly fishing is now obtainable at the mouth of the Adams and Little Rivers. The salmon run is also in full swing and several big spring salmon have been caught lately. A. C. McDanielson, late of Kelowna, is operating an anglers' resort at Little River, and he has installed a phone recently.

Guests at the regular weekly luncheon of the Rotary Club, held in the Royal Anne Hotel on Tuesday, included Mr. B. T. Chappell, General Superintendent, C.N.R. Vancouver; Mr. A. C. James, of New Zealand; Mr. Hank Manny, of Seattle; Mr. Blake Cook, of Vancouver; Mr. J. McCulloch, of Winnipeg; and Mr. G. E. Hemming, of the Federated Malay States. Mr. Manny, who addressed the Club, was President of District No. 1 when the Kelowna club was organized.

A meeting of all interested in the reorganization of a city basketball league will be held in the United Church Hall on Wednesday next, at 8 p.m. The primary purpose of the league is to absorb all players who do not find it on regular teams. By mixing them with more experienced players, they are given the opportunity to improve their play. Last year's experiment did much to foster interest in the game and drew large crowds, the game being productive of keen interest. All players interested should attend the meeting on Wednesday; if unable to do so they should advise other players of their desire to participate.

Little Betty Pringle, daughter of Mr. and Mrs. Pringle, former residents of this city, now living at the Coast, is on the road to success as a dancer, although she is only eight years old. With only one year's training under the direction of Miss Nellie Nichol, one of the best teachers on the Pacific Coast, Betty won a medal for third place in an Irish jig competition for dancers twelve years and under at Victoria this year, and on August 9th, at the Caledonian Games, she won the medal for fourth place, twelve years and under, from an entry of fifty-four. On Sept. 17th, at Saanich, she was awarded the medal for second place in the sword dance. Although Betty is dancing in competition, she has not yet completed her training. She is now working on the flings and Seann Triubhais.

CONQUEST OF LOFTY PEAK IN ALASKA

(Continued from page 1.)

preferring rather to paint a word picture of its glories and its dangers, his hearers were impressed with the undertaking and the risk of life that was ever prevalent. The views, which had been taken by the party on the ascent, were striking indeed and supplemented beautifully the words of the speaker.

The ascent of Mount Logan was contemplated first in 1913, Col. Foster began, but the intervention of the Great War delayed the attempt until it was not until the winter of 1924 that supplies were taken in by dog team to a point near the base of the mountain and a camp established. In May, 1925, a party of eight, which included Englishmen, Canadians and Americans, practically all of whom were scientists, set out for Mount Logan. After reaching the camp, where some four tons of supplies had been deposited, they spent several weeks at the laborious task of packing the supplies to the base of the mountain.

Mount Logan, the speaker reminded his hearers, has an altitude of 20,065 feet with a base circumference of some 200 miles, which made quite a "mole hill." On their way up, it was interesting to note, they passed the greatest glacier field left in the world—a huge ice area covering 2,500 miles, a magnificent, awe-inspiring spectacle.

After packing the supplies to the base, Col. Foster continued, two of the party were forced to abandon the attempt owing to mountain sickness and frozen feet, consequently the climb was eventually undertaken by a party of six. During the actual ice climbing, the six were divided into two sections of three, roped together. The top of the mountain consists of three peaks and the nearest was essayed first but, much to the consternation of the climbers, it was discovered that it was not the highest of the three. However, having gone so far and to great pains, they descended from the first peak and, after considerable difficulty, they finally scaled the highest peak, which towered over the others by about one hundred feet.

To realize adequately the magnitude of the task, one had to hear Col. Foster's description in his own words. On one ice field the climbers encountered a temperature at freezing point at their feet while their heads and shoulders were in a warm atmosphere. On several occasions blizzards had to be contended with, and more than once they

CHURCH NOTICES

Pastor, C. B. CLOSE.

GUILD OF HEALTH

Scripture Study for all interested in the subject of Spiritual Healing.
Heb. 4: 1-12. Heb. 10: 9-18. James 2: 1-14. I. Thess. 5: 1-6. Ephes. 4: 21-26. Gal. 2: 16-end. I. Cor. 6: 1-10.

"The Companionship of Christ." "Christ set a higher standard of life than any who had preceded Him. And we cannot escape the discipline of a burden. But His companionship changes the whole nature of our service. He can give rest. In storm there can be a core of peace; in anxiety or sorrow we can repose on Him. Discipleship is the receiving of life from Christ, who is 'the same yesterday, today and for ever. The yoke and the burden are our opportunity of proving the power and sympathy of Christ.'"

were forced to wait for hours, huddled together in such shelter as they could improvise, for a blizzard to pass over. The descent, the speaker concluded, was even more hazardous than the ascent, due to the fact that two of the party were suffering with disabilities. Progress was slow as the men required considerable care.

It is to be regretted that a larger number of members of the Canadian Club did not attend the lecture. Other events held on the same night were doubtless responsible.

Flemish Beauty—1. W. R. Laws; 2. C. Tucker.
Bosc—1. W. R. Laws; 2. Bankhead Orchards.
Winter Nelis—1. Bankhead Orchards; 2. W. R. Laws.

TWENTY YEARS AGO

(From the files of "The Kelowna Courier")

Thursday, September 29, 1910

"The Kelowna Tobacco Co. shipped a comprehensive exhibit yesterday to the New Westminster Fair, including raw leaf, boxed cigars and green tobacco plants. The value of the collection is about \$3,000, and it should do good work in opening the eyes of the Coast people to the width of the resources of the Province."

"The Farmers' Exchange will ship on Saturday 1,800 boxes of fancy 4/2 and 5 tier Jonathans to Vancouver for export to Australia. The apple trade with Australia is increasing yearly and promises to prove an important factor in the question of markets for our local fruit. Embryo orchardists should take note of the preference of Australians for red apples."

"The fruit crop is taxing the energies of the packing houses to the utmost these days, and all have to resort to night work to keep up with the flood of fruit pouring in from the country. Fruit packers are in demand and some good men could readily obtain employment for the balance of the season. The rush of work makes it difficult to devote the time necessary to select specially the fruit to be exhibited at Vancouver, but it is certain that a fine exhibit will be made, as the apples this year are of splendid quality and colour."

"Fires in Kelowna are becoming all too common, and there is a mystery about their origin which gives rise to suspicion that they are not all accidental. The third to occur within the past few weeks was discovered about 1:10 a.m. on Tuesday. The blood-curdling screams of the power house siren brought the Brigade on the scene in quick order, and the boys soon had the blaze under control. The fire had started between two piles of lumber in the sawmill yard and had obtained a firm hold before it was perceived, but fortunately there was no wind and it was confined to the two lumber piles."

"During the past week a number of Kettle Valley Railway surveyors arrived in town and, after outfitting, are now engaged in work in the district. Their advent was unexpected, as it is understood the Kettle Valley has no charter, covering the country between here and Vernon, and the Midway-Vernon subsidy was repealed recently by the Legislature. The Kettle Valley obtained a charter some time ago for an extension of their existing railway in the Boundary country, but so far as we can remember, it was for a route following the main Kettle River to the headwaters of Cherry Creek and thence to Vernon, yet it is possible that they have powers to vary the route. The congestion of freight this season on the lake and the prospects ahead for the next few years are believed to account for the surveys now being made, and it is boldly predicted that Kelowna will have rail communication inside of twelve months. It is certain that the being system of handling cars is not here and Vernon, yet it is possible that they have in contemplation to make Kelowna their rail terminus on Okanagan Lake."

Any other variety—1. C. Tucker; 2. W. R. Laws.

PLUMS—Twelve of Each

Bradshaw—1. C. Tucker.
Columbia—1. Bankhead Orchards.
Greengage—1. C. Tucker; 2. J. A. Shier.

SHIER

Grand Duke—1. W. R. Laws; 2. E. M. Chaplin.

MARY PICKFORD

— AND —
DOUGLAS FAIRBANKS

in an adaptation from Shakespeare's

"Taming of the Shrew"

It's hard to believe. The year's laugh sensation with Mary and Doug, together for the price you pay to see an ordinary picture. Unprecedented! but true!

"Taming of the Shrew" is the answer of Mary Pickford and Douglas Fairbanks to the insistent demands of the motion picture public that they appear in a film together. Pioneers that they are, they have always wished to bring Shakespeare to the screen and it was natural that, of all the Bard's works, "Taming of the Shrew," so modern in theme, would be the stars' choice.

All of the Shakespearean colour and atmosphere has been retained in the motion picture version of the play, from gorgeous and lavish settings of the Italian City of Padua, right down to the sparkling dialogue.

Judges—Mrs. G. Young, and Mrs. B. M. Simpson, Vernon.

WATER NOTICE (STORAGE)

TAKE NOTICE that Black Mountain Irrigation District, whose address is Rutland, B.C., will apply for a licence for the storage of 2,300 acre-feet of water out of Greystoke Creek, which flows North-West and drains into Mission Creek, about 12 miles N.E. of D.L. 3737.

The storage-dam will be located at West end of Greystoke Lake. The capacity of the reservoir to be created is about 2,300 acre-feet, and it will flood about 80 additional acres of land. The water will be diverted from the stream at a point described as Intake "N." Map 8404, and will be used for irrigation purposes upon the land within the boundaries of Black Mountain Irrigation District.

The licence applied for is to supplement a right to take and use water as per conditional Licences Nos. 62 and 63.

This notice was posted on the ground on the 22nd day of September, 1930. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Vernon.

Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

The date of the first publication of this notice is September 25th, 1930. BLACK MOUNTAIN IRRIGATION DISTRICT.

Applicant.
By, J. R. Beale, Agent.

CEREBRO-SPINAL FEVER

(By Dr. G. A. Ootmar, City and District Medical Health Officer).

There is a case of cerebro-spinal fever, also called cerebro-spinal meningitis or spotted fever, in the district; that means: an inflammation of the brain caused by a specific germ.

Those cases usually occur in the fall and seldom in spring-time. Last week we got some spinal fluid from outside the district and the germ was cultivated from the fluid. Yesterday we found them in a case in the district. It is thought that on account of people living more in the house in the fall than in summer-time the disease starts so often at this time of the year.

The disease itself is not so infectious, but one who is in contact with such a patient can be certain that he will harbour for longer or shorter time the germs. They live in the back part of the nose and stay there mostly for a fortnight but sometimes for many months. By sneezing or coughing they are spread and, though the carrier does not actually get the disease, he can spread it by infecting susceptible persons. The mother and the nurse, but child is certain to become a carrier and thus transmit the disease to others. Only a small percentage of carriers is susceptible and develops the disease.

The disease is hard to control. The wide prevalence of the infection, the large number of carriers, the existence of mild and abortive cases—all add to the complexity of the control of the disease. We have to avoid overcrowding, overcrowding and fatigue!

The canneries are working full blast; packing houses are over-crowded, and all measures that will promote the general health cannot be enforced now. But this does not mean that we should assume a supine attitude. We know that the disease is spread very largely by carriers; that the germs are in the nose; that by sneezing and coughing, infection of other people takes place. The symptoms of a cold are sneezing and coughing. Everybody who has a cold should now stay away from others or be twice as careful to use his handkerchief when coughing or sneezing. Nose douches and sprays have no protective value and injudiciously used may be mischievous. They should be used only under medical advice.

Avoid overcrowding. Avoid the man who has a cold. Do not come in close contact with others, and let us hope that by doing this there will be no more cases of this disease in our city or district.

By courtesy of the C.N.R. and the staff of the Telephone Company, some anti-polio-myelitis serum, which was asked for one evening, was sent to Vernon and transferred from there by car to the far away community where a case had developed and the serum was needed badly. We have much to commend for it and it was the serum of the boy who came last week to our laboratory which saved the life of the child near the Arrow Lakes.

There are still many people in Kelowna who have had the disease but who have not offered their blood. Let us not ask in vain and let us urgent call for serum be turned down on account of lack of serum. Soon there will be a week for "All Canadian Products." Let our "Product" not be missing.

"Bridget, do you know anything concerning my wife's whereabouts?"
"Yes, sir, I put them in the wash."

FERRY TALES

Entering the little cabin, the man from Westbank seated himself beside a stranger, who was writing on a tablet which rested upon his knees. The boat was proceeding westward over the bounding billows of the Okanagan.

Unable to hold in check his insatiable curiosity, the young commuter sat very close to the stranger and discovered that he was writing a letter. Often curiosity gets the better of ethics. The man from Westbank followed the pen as it travelled at amazing speed over the rapidly filling page.

"Dear Hep," he read, "I love the way the liquid flows, I greet the red upon the nose, I spy the bottles—rows and rows—in fair Kelowna."

The man from Westbank glanced sharply at the writer but continued to read:

"I came here just one week ago, with stuff to sell and goods to show, expecting to find things quite slow in fair Kelowna."

"Imagine, then, my great chagrin when I was offered drinks of gin, as I was ready to begin to show Kelowna. 'You know, dear Hep, I never drink—a fallacy sometimes, I think—but who'd have thought that I would sink in this Kelowna?'"

"A customer lined up some girls arrayed in costly (?) little pearls, mayhap they were the wives of pearls in this Kelowna."

The man from Westbank adjusted his tie and permitted his eyes to follow the pen:

"We took a splendid motor car and travelled from the town afar and opened up our little bar outside Kelowna."

The man from Westbank wet his lips.

"Our host, poured something in a glass and passed it to one girl of class, a striking, pretty winsome lass of fair Kelowna."

"She raised it to her dainty nose, this girl with fragrance of the rose, and for a moment held this pose outside Kelowna."

"And then with quickness of a cat she said 'You fiend, you offer that! You're nothing but a dirty rat out of Kelowna.'"

The commuter grinned. "She threw the glass upon the floor, grasped the handle of the door—say, Hep, but that girl sure was sore—outside Kelowna."

"The other girl (the one with me) was calm and quiet as could be, she was a lady I could see from fair Kelowna."

"She raised her glass and held it high 'And now,' she said, 'it's do or die—and anyhow some day I'll fly from this Kelowna.'"

"But when she'd tasted of the glass she threw its contents on the grass—she too became an irate lass of fair Kelowna."

"So mad that they could hardly talk, with faces rigid like a rock they both climbed out and went to walk back to Kelowna."

"Mine host, though sore, turned out a drink and passed it to me with a wink. I tasted though I'd time to think outside Kelowna."

"Delicious, just like lemonade—but what a noise my host then made! He bellowed, 'This is lemonade,' outside Kelowna."

"Yes, Hep, he'd got the bottles wrong—we didn't stay in that place long and soon my life was one sweet song in fair Kelowna."

The man from Westbank grinned again. Without glancing up, the writer continued:

"If I had a boulder I'd toss it over my shoulder and a man would grow no older."

The man from Westbank straightened suddenly and lifted his eyes innocently to the ceiling.

The stranger went on versifying and soon the boat hit the dock.

The voyage was over.

Children are wise these days at such tender ages that those parents who wish to have an old-fashioned heart-to-heart talk should schedule it before the sixth birthday.

SEASON FOR WILLOW
GROUSE NOW CLOSEDBlue Grouse May Be Shot Until Octo-
ber 15th, Inclusive

Charlie Hawes and party leave at the
week-end for the Hamilton Range. If
the ducks and geese in that section of
the country hear that Charlie is leading
the attack, they will doubtless spread
their wings and seek the seclusion of
the Selkirk—or Mount Robson. No-
thing more will be said—just in case.

Open season for willow grouse closed
on Tuesday. Let the willows
R.I.P. Blue grouse may be shot until
October 15th, the opening date for
pheasants and European partridge.

Sid Hill knocked over a buck on
Knox Mountain near the rifle butt on
Monday, and a number of deer are be-
ing killed close in as they are down in
the foot-hills, it is reported.

The fisherman seems to be faring as
well as the hunter, as local anglers have
been securing good catches off the El-
dorado Arms. The fish caught have
not been large, but that is no reflection
upon their quality.

Children are warned not to gaff the
kickapoo as such action is punishable
by fine. According to reports, they
are being gaffed from the creeks to an
alarming degree, children being the
chief offenders. This does not give
them a chance to spawn and the sup-
ply is thus quickly depleted.

Deputy Fish Warden Morgan was in
the city this week. He stated that,
while he did not wish to prosecute
children, it would be necessary if they
did not obey the law. It is legal to
troll for the kickapoo, illegal to gaff it.

It is seldom, however, that the red
fish can be captured by hook and line.

KELOWNA AND VERNON
TIE IN INTER-CLUB GOLF

Final Round Of Local Club Champi-
onship Next Thursday

In an inter-club match at Vernon on
Sunday, Kelowna and Vernon golfers
tied with twenty-five points each. The
Kelowna Golf Club was represented by
fifteen players. The day was ideal
for play and competition was keen to
make the matches most enjoyable.

A return match will be played here
on Sunday, October 19th.

Play in the Kelowna club champi-
onship competition is progressing and
the final round will be staged on Thursday,
October 9th. C. Quinn, C. R. Reid,
T. D. S. McLaren and H. A. Willis
have reached the semi-finals in this
major event.

The Fall Flights are now under way
and are providing interest aplenty for
local players.

The Gyro Club 4-ball foursome
handicap for the Bob Willis Cup and
medals is also being played on the Kel-
owna course.

GRASS HOCKEY

Practice Game Next Sunday—Match
To Be Arranged With Vernon

A practice game of grass hockey will
be played in the City Park on Sunday
next at 2 p.m. All interested are in-
vited to play. If anyone who does not
wish to play has a spare stick to give
or lend, it will be appreciated if he will
communicate with W. B. Bredin.

A match with Vernon will be arrang-
ed as soon as possible.

KELOWNA HIGH SCHOOL
WINS FOOTBALL MATCH

Victory Gained Over Vernon In First
Game Of Season

The Kelowna High School football-
ers opened the season with a hard
fought victory at Vernon last Saturday.
The teams were very evenly matched
as the score of 2-1 indicates.

At the start both teams were shoot-
ing wildly and it was not until well
on in the first half that Vernon opened
the scoring on a penalty kick. Kel-
owna equalized on a splendid combi-
nation effort, Johnston finally slamming
the ball through the goal. Shortly after
the rest period Campbell scored again
for Kelowna on a free kick from out-
side the penalty area. This ended the
scoring, although Vernon tried hard to
tie the score during the last moments
of the game.

The teams play again on Saturday,
October 4, at Boyce's Field, and spec-
tators are cordially invited. The game
will start at 2.30 and from the first
encounter of these teams an interesting
exhibition of soccer should be seen.

The Kelowna line-up is: McKay,
Poole, Campbell, Munro, Johnston, J.
Butt, Bowser, Maddin, McLaren, Mar-
anda and Meikle.

LARGE ENTRY IN
LADIES' GOLF EVENTS

Hidden Hole Competition Won By
Mrs. Bryce

The exceptionally large entry in the
competitions on Tuesday, ladies' day,
at the Kelowna Golf Club, was gratify-
ing and a feature of the meet. In ad-
dition to those who participated in the
play, a number of club members were
served tea in the club house at the
conclusion of the events. The hidden-
hole competition was won by Mrs.
Bryce.

The final round in the Hunt Cup
handicap competition will be played
this week, it is expected, Mrs. H.
Broad and Mrs. Dan Currell being the
finalists.

The semi-finals in the Collett Cup
event for the club championships are
now being played: Mrs. Broad vs.
Mrs. McLaren and Mrs. H. V. Craig
vs. Mrs. J. Hunt, all other aspirants
for premier golfing honours having
been eliminated.

On Saturday the qualifying round
for the Captain's Cup will be staged,
and the junior girls will compete for
the coveted McLaren Cup.

Let Courier Want Ads buy it or sell
it.

How is it the homely girls always
manage to marry the best providers?
Many a man who goes home late at
night does not know what he is letting
himself in for.

Night club habitue (staggering out
of dive at 4 a.m.): "Good Lord, what is
that strange odour around here?"
Doorman: "That, sir, is fresh air."

LAUGHABLE STORY
OF THE NEW RICHMarie Dressler And Polly Moran
Cause Riot Of Fun In "Caught Short"

Marie Dressler and Polly Moran are
co-starring in Metro-Goldwyn-Mayer's
all-talking comedy, "Caught Short,"
which will be shown at the Empress
Theatre on Friday and Saturday. The
supporting cast includes Anita Page,
Charles Morton, Gwen Lee and others.
The picture was inspired by Eddie
Cantor's book, "Caught Short."

The comedy team will be seen as
boarding-house keepers who achieve a
rapid rise from poverty to wealth as a
result of dabbling in the stock mar-
ket, only to lose all when the Wall
Street crash occurs. The situations of
this comedy are said to be uproariously
funny, particularly in the early se-
quences of the picture in which Miss
Dressler and Miss Moran are seen in
their boarding-house activities, and a-
gain later when, with the sudden ac-
quisition of wealth, they attempt to
play the "ground game."

Morton has an important share in the
plot.

"Condemned"

"Condemned," starring Ronald Cole-
man, will be the feature at the the-
atre on Monday and Tuesday. Its
story is adapted from "Condemned to
Devil's Island," Blair Niles' novel of
life in the French penal colonies of
South America. It is a story of ro-
mance growing between the mistreat-
ed wife of the warden of the prison on
Devil's Island and a convict whose
sympathy for her plight ripens into
love. Unique scenes of the interiors
of prison ships and squalid jails, thrill-
ing escapes through the tropical jung-
les, the atmosphere of a group of des-
perate criminals huddled together on
what is known as the "island of living
death"—all combine to make "Con-
demned" a great picture.

The film is said to be a great triumph
for Coleman. He is assisted by Ann
Harding and Louis Wolheim, the lead-
ers of the supporting cast.

"Taming Of The Shrew"

Dashing Doug Fairbanks and Mary
Pickford, the sweetheart of the screen,
for many years the most popular stars
in the history of motion pictures, make
a delightful team of entertainers. They
will be seen in "Taming of the Shrew,"
the showing for Wednesday and Thurs-
day.

From the opening shot to the final
fade-out, Shakespeare's immortal com-
edy, as pictured, is said to be just one
long, glorious laugh. From the first
moment, gay, but stubborn, Petruchio
(Fairbanks) lays eyes upon his bride-
to-be, the stormy, tempestuous Kath-
erine (Mary Pickford), there ensues a
battle of wits and wills. Loving her
fiery temper, Petruchio sets about un-
ceremoniously to tame the Shrew. How
she resists and how the ultimate solu-
tion is worked out is familiar to lovers
of the works of the Bard of Avon.

SOME GOOD RACING
AT FALL FAIR

(Continued from Page 1)

Johns; 2, Peggy Price; 3, H. Gale.
This was a good race for the quar-
ter-mile, the three winners fighting it
out at the finish.

Ladies' Quarter-mile Race.—1st
prize, \$6; 2nd, \$4; 3rd, \$2. Four en-
tries. 1, Joan Tailyour; 2, Susan Agar;
3, Peggy Taylor. Miss Tailyour fin-
ished well in the lead.

Tent Pegging, individuals.—1st prize,
\$10; 2nd, \$5. Ten entered in this event,
two riding down the course simultane-
ously. After two trials for each con-
testant, Cecil Gale and Max Berard
entered the final, Gale winning quite
easily. It is worthy of note that Gale,
who also competed in the sectional
lances, carried a peg each time in both
events, establishing an enviable record.

1, C. Gale; 2, Max Berard.
Lances, sectional.—1st prize, trophy
and miniatures and a case of oil, don-
ated by the Union Oil Company, to the
winning team, which was composed of
G. D. Cameron (Captain), Wid Thomp-
son, C. Gale and M. Berard, who re-
ceived 63 points. The only other team
competing was the B. C. Dragons,
which consisted of Major E. B. K.
Lloyd (Captain), S. Ogborne, J. Davey
and A. R. Willan, who received 57
points. Gale, who carried in every at-
tempt, was outstanding for Cameron's
team.

Half-mile Race.—1st prize, \$15; 2nd,
\$7.50. 1, C. McLure; 2, Gus Macdon-
nell (F. Casorso, rider). The five
horses entered in the race got away to
a good start and the event proved inter-
esting. Rose Afflick came in third.
Bending Race.—1st prize, \$5; 2nd,
\$3; 3rd, \$2. Seven entries. 1st, J.
Frost; 2, W. Thompson; 3, C. Gale.
Thompson and Gale tied for second
place, the former winning in the final
race to determine to whom should go
second honours.

Half-mile Race, boys and girls un-
der 18 years.—1st prize, \$5; 2nd, \$3;
3rd, \$2. Six entries. 1, Sydney Johns;
2, H. Gale; 3, Peggy Price. A pony,
entered by Margaret Aikman, provided
considerable amusement in this race,
which got away to a very poor start.
The pony "legged it" at top speed all
the way round the course, but finished
far behind. The three leading horses
finished almost at the same time, mak-
ing a decision difficult. A good race.
Five-eighths Mile Race.—1st prize,
\$15; 2nd, \$7.50. Four entries. 1, Rose
Afflick; 2, C. McLure. Miss Afflick
crossed the finishing line with a good
lead, but McLure's horse had to show
its best to take second place from the
closest contender.

Half-mile Consolation Race.—1st
prize, \$7; 2nd, \$3. Only two entries.
1, Felix Casorso; 2, Max Berard. Cas-
orso's horse led at the start and main-
tained the lead around the track.

She refused him only once, she said.
He seemed so discouraged she was a-
fraid to try again.

Household Hint: Remove the screens
from your windows for a short time
every day so that some of the flies can
get out.

Short skirts are still being worn by
the best legs.

If you make love to a gal in a door-
way, be sure you don't lean against
the door bell.

TOURIST CAMP IN PARK
MAY BE ABOLISHED

(Continued from page 1.)

Increase Of Salary
Mrs. Hilda Holes, clerk in the City
office, was granted an increase of sal-
ary to \$75 per month, dating from
July 1st, 1930.

Purchase Of Machinery
It was agreed to purchase one steel
hopper and one 22-foot non-folding sta-
tionary type elevator for the municipal
rock crusher, from Brown, Fraser &
Co., Ltd., Vancouver.

Grant To Aquatic Association
A resolution was passed sanctioning
a grant of \$250 to the Kelowna Aquatic
Association, the money to be paid
forthwith.

Storm Drain
Another resolution provided for the
construction of a storm drain on the
first lane north of Bernard Avenue,
from Pendlozi Street to Okanagan
Lake, with laterals to Bernard Avenue
on Mill Avenue and Water and Pen-
dozi Streets.

In connection with the storm drain,
the Canadian Pacific Railway Company
will be requested to permit its con-
tinuation through their property, Lot 2,
Plan 2207, to Okanagan Lake.

Remuneration Of Auditors

A difference of opinion arose upon
a resolution submitted by Ald. Gordon,
chairman of the Finance Committee, re-
commending that the remuneration of
the City auditors be \$500 per year, dat-
ing from January 1st, 1930. Replying
to questions, Ald. Gordon stated that
the rate of remuneration at present was
\$350 per year, but details had increased
greatly with the growth of the city,
and for several years past the auditors
had been much underpaid.

Ald. McDonald opposed any increase
being granted, deeming the present rate
of remuneration adequate in view of
the time occupied by the work and its
nature, which he did not consider to
be arduous. He also contended that
present financial conditions, with busi-
ness firms all over the country curtail-
ing their staffs and expenses, rendered
the time inopportune for increases ex-
cept in cases where employees were
paid barely a living wage. He offered
an amendment to the effect that the
matter of increased remuneration for
the City auditors for the year 1930 be
referred back to the chairman of the
Finance Committee to ascertain if a
slightly more reasonable fee could not
be arrived at, in the face of existing
conditions.

On a vote being taken, Ald. McDona-
ld's amendment prevailed, Aldermen
Jones and Galbraith supporting him,
while Ald. McKay voted with Ald.
Gordon in opposition. Ald. Morrison
had left the meeting before the discus-
sion began.

After lengthy discussion of matters
of minor importance usually handled in
committee and of no particular public
interest, the Council adjourned at a
late hour until Monday, October 13th.

MULTI-MILLIONAIRE LEAVES
NOTHING TO CHARITY

MOUNT HOLLY, N. J., Oct. 2.—
Although his will discloses an estate
of a hundred million dollars, Dr. John
Torrance, president of the Campbell
Soup Company, left no charitable be-
quests.

FINANCIAL AID FOR
ANY STATE ATTACKED

GENEVA, Oct. 2.—Twenty-eight
states today signed an agreement to
grant financial aid to any state that
becomes the victim of attack by an-
other state.
